RE: Sales Centre & Design Studio Hours & Operation

To our valued current and future customers,

Ontario Premier Doug Ford is ordering the closure of all non-essential businesses in the province to help deal with the spread of COVID-19.

Effective immediately the Braestone Estates Sales Centre & Design Studio will be closed until further notice.

For those interested in exploring opportunities our sales team will continue to work remotely and are happy to provide and discuss information via email and phone.

Please visit braestone.ca for contact information. Thank-you for your patience and understanding.

Sincerely,

Braestone Estates
