RE: Sales Centre Hours & Operation

To our valued current and future customers,

In an effort to restrict the spread of the COVID-19 virus, Braestone Estates is taking extra precautions to keep our team and customers safe and healthy.

Until further notice we will not be open for drop-in visitors, however, our sales centre will be staffed and remain open during scheduled hours by appointment only. Previously scheduled design studio appointments will proceed.

For those that would like to book an appointment our staff have been advised to not meet in person with anyone who:

- has symptoms such as fever, cough, and difficulty breathing
- has traveled outside of Canada within the past 14 days or been in contact with someone who has

We ask for your support in confirming the above with our team as you go through the appointment booking process.

For those interested in exploring purchasing opportunities without visiting our sales centre in person, our sales team is happy to provide and discuss information via email and phone.

We are continuing to monitor the situation closely and will provide further updates on our operations as required.

Please visit braestone.ca for contact information. Thank-you for your patience and understanding.

Sincerely,

Braestone Estates
