RE: Braestone Discovery Centre

To our valued current and future clients,

Ontario Premier Doug Ford is ordering the closure of all non-essential businesses in the province to help deal with the spread of COVID-19.

Effective immediately the Sales Centre will be open by appointment only until further notice. For those interested in exploring opportunities please contact our Sales Executive, Nigel Davies, by email at nigeldavies@sympatico.ca or by phone at 705-817-2477.

Thank-you for your understanding.

Sincerely,
